

## 2021 Multi Day - Summer Hike Series Trip Information

The following are important details for your trip on the Rogue River. This information will help make your trip safe, comfortable, and enjoyable. After reading the information below, if you have any questions please don't hesitate to call us at 1-800-336-1647 or email us at [info@wildrogue.com](mailto:info@wildrogue.com)

**Meeting Place:** Morrisons Rogue River Lodge (8500 Galice Rd, Merlin, OR)

**Orientation:** 5:45 pm the night before your trip for IMPORTANT trip information (Lodging the night before is not included)

**Launch Time:** 8:00 am the day of your trip packed and ready to depart the lodge

**After the trip:** Arrive back at Morrisons Rogue River Lodge around 5:00 pm (unless car shuttle has been requested of other arrangements have been made)

## Checklist

- Complete your registration form and sign the Liability Release by accessing your guest account link emailed in your confirmation email. \*\*All registration forms and our updated release of liability form, must be completed using your personal link to access and manage your reservation. All requested forms must be completed online at least 14 days prior to arrival. Failure to complete the forms within the requested time could result in cancellation and forfeit of all deposits made.
- Plan for the unexpected with Cancel For Any Reason (CFAR) Travel Insurance at:  
  
<https://www.travelinsured.com/>  
Estimate about 8-9% of your trip cost. Kids 17 & under at a reduced rate
- **Final payment due 60 days before your trip**

## MRWAL provides the following

- Transportation to and from the river and back to Morrison's Lodge
- Waterproof bag for your personal gear

## You are responsible for

- Meals and lodging before and after your trip
- Personal clothing and other misc. items
- Beverages such as Beer, Wine, Soda
- Guide gratuities (see below)
- Dinner and breakfast gratuities at the lodges
- Personal water bottle for each person
- Day pack for while hiking on the trail
- River shoes for when on the raft

## Where to stay before and after

**Morrison's Rogue Wilderness Lodge** (800) 826-1963 [www.morrisonlodge.com](http://www.morrisonlodge.com)

All our trips depart from the beautiful Morrisons Rogue River Lodge (which is celebrating 70-years along the Rogue!) So, we encourage you to stay there before your trip. Accommodations include water-side suites, cabins and lodge rooms. You'll find Morrisons to be a convenient, beautiful location to start and end your river adventure. Morrison's Lodge offers a Special Package Lodging rate for all MRWAL clients that choose to book a room before or after their trip with us.

## How to Get There

**If You Fly:** The closest commercial airport is Medford, Oregon. It is serviced by United Airlines, Delta, Allegiant and Horizon Air. Flights inbound to Medford start from San Francisco, Seattle, Portland, Salt Lake City, Denver, Las Vegas and Los Angeles.

**\*\*Please plan your flight to arrive the day before your river trip**

**\*\*Flying out the day your trip ends is VERY difficult and puts strains on the entire last day of your trip. We highly recommend booking your flight out for the day AFTER your trip ends.**

For your convenience, Morrison's Rogue Wilderness Adventures & Lodge offers airport pickup and drop off for \$150 each way (12 passenger van). There are local taxi services available as well. **\*\*Please call MRWAL in advance to request the airport van shuttle. 1(800) 336-1647**

**If You Drive: From I-5 North (Portland, Eugene):** Get off at exit 61. Follow the off ramp until you get to the stoplight. Turn left and follow the road (Merlin-Galice Rd) out for about 11 ½ miles. Morrison's Lodge is on the right hand side. Park in the parking lot and walk to the front desk for check-in.

**From I-5 South (Medford, Ashland):** Get off at exit 61. At the end of the off ramp turn left and follow the road (Merlin-Galice Rd) out for about 11 ½ miles. Morrison's Lodge is on the right hand side of the road. Park in the parking lot and walk to the front desk for check-in.

## The Trip Outline

**5:45 pm Evening Before Your Trip:** All trips will start with an orientation at 5:45pm at Morrisons Lodge. Guests will meet each other and their trip leader/head guide. Dry-bags will be issued as well as complimentary water bottles. Your trip leader will cover your trip itinerary, pass on valuable trip information, and assist with any last minute questions or requests you might have. Our gift shop at Morrison's Lodge will be available for any last minute items. **Please note that lodging for the night before your trip is not included for this trip.**

If you would like to book a night of lodging at Morrisons Lodge, you can call 1-800-826-1963 or book online at [Morrisonlodge.com](http://Morrisonlodge.com).

**The Morning of your Trip:** We ask that everyone is dressed and ready for departure by 8:00 am. (PLEASE BE ON TIME. OTHERS WILL BE WAITING FOR YOU) Come dressed in your hiking clothes. **Bring a separate bag with rafting clothes and shoes** (this can be a small duffel or cloth bag) in it if you would like to change for the raft part of your day. A hearty breakfast is encouraged as lunch can sometimes be past noon.

**On the River and trail:** The pace of your trip is very dependent on the water level and hiking pace. Most days you will spend half of your day on the trail hiking and half of the day on the water floating. When you get on the boat can be dependent on the heat of the

day. Breakfast at the lodges is served around 8 AM, and you are on the water by about 9 AM. There will be a stop mid-day for lunch where a buffet style lunch will be served. Before dinner there will be plenty of time for relaxing in the beautiful scenery of the wild rogue with friends and family.

The only day that does not follow this basic schedule is your third day. You will spend half of the third day of your trip hiking, with a plan to eat lunch on the trail. If you are on a **Normal Summer Hike Series**, you will then change into rafting gear for the second half of your day, so please leave your rafting clothes out of your overnight bag. If you are on a **Paradise- Summer Hike Series**, you will enjoy your the rest of your afternoon resting and relaxing at Paradise Lodge. To tell the difference, you will notice the title on your invoice says 'Paradise' if you are on a Paradise Hike.

**After the Trip:** The trip ends at Foster Bar in the early afternoon (around 2pm). At this time you will board a van, which will return you and your gear to Morrison's Rogue Wilderness Lodge, unless you have arranged a car shuttle. Car shuttles are available from Morrison's to Foster Bar for an additional \$125 per car (subject to change due to early season road conditions). The van trip takes about two to three hours, arriving back at Morrison's around 5 to 5:30 PM. It's a beautiful but windy drive: those prone to car sickness may want to be prepared with Dramamine.

**\*\*In May, snow might be blocking key shuttle routes. Our goal is to return you on the safest route possible. This might mean early season shuttles could take up to four hours. If you have any travel plans that might be altered due to a late shuttle, please let our office staff know.**

## Heat

Please note that during the summer the Rogue River Trail can get over 100 degrees in the afternoon. It is our aim to have you off of the trail before the temperature comes anywhere close to that, but it is possible that you could experience high temperatures on the trail at times. Consider bringing non-cotton hats and shirts to dip in creeks as you hike. We strongly recommend bringing a 'cooling bandana' to keep wet and cool as you hike. To help combat the heat, water bottles will be provided by MRWAL, but we recommend a camelbak or water pouch system for easy access to water to keep you fully hydrated.

## Wilderness Lodges

The wilderness lodges in the Wild and Scenic corridor are privately owned and operated. They operate with a unique challenge- all equipment and food has been rafted, jet boated, or 4-wheel driven in. They are clean and comfortable, but quirky and food is plentiful and hearty. Each room has a bathroom with flush toilets and hot showers and 2 beds (usually singles). All meals are served family style in the main lodges.

Please note that there is no smoking or vaping in the cabins or main lodges.

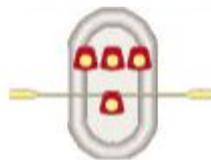

**Electricity at the Lodges:** All the lodges are on generator and will provide light and power during your stay. At 10 pm the generators are turned off, so bring a flashlight to find the bathroom. Do not bring hair appliances as they will cause the generator to stop.

## Types of Boats

We employ a variety of boats on the Rogue that you will have the opportunity to enjoy as you travel down this amazing, beautiful river.

**Paddle Boat:** Paddle boats are fourteen to fifteen foot boats that are powered by the paddle strokes of the crew. The guide typically sits in the back and gives paddle commands to four to seven paddlers. Helmets and wetsuits are rarely required in paddle boats. Life jackets will ALWAYS be required.

**Oar boats:** Oar boats are sixteen to eighteen foot rafts that carry gear and supplies as well as one to four passengers. Two or three passengers on an oar boat is typical. A ride on an oar boat is an opportunity to relax, enjoy the scenery, or chat with friends and family. These boats are not always available to ride on. If you need to ride one for medical reasons or otherwise, please inform our office staff. We will do our best to accommodate you.

**Fishing:** Fishing on the Rogue is not great in the spring or summer and regulations do not allow fishing from our boats. If you would like to fish, Oregon fishing licenses may be purchased online at <https://myodfw.com/fishing/licensing-info>. We recommend collapsible rods for ease in packing

**Guides:** Our guides have a deep appreciation for the river we run and want you to enjoy your trip with them. MRWAL guides are accomplished in outdoor skills and extensively trained in Wilderness First Aid and CPR. They will be more than happy to help you if you have any questions about the river or are an inexperienced camper.

**Gratuities:** We are often asked if tipping is appropriate. Tips are certainly appreciated by our guides. Whether and how much you tip should depend on your satisfaction with the trip, your feelings about tipping, and your financial means. General amount is 15 to 20 % of the base trip price if you feel your expectations were exceeded. Please bring cash or check for tipping. We are not able to put tips on credit cards or reservations.

**Equipment:** MRWAL provides waterproof bags for your personal gear. Certainly bring a camera on your trip for pictures. Our gift shop sells a number of great waterproof bags for cameras and cell phones. You also want to consider bringing a small hiking day bag, and a small cloth bag for changing into rafting clothes if you prefer. Please bring a water bottle for each person to keep hydrated to carry in or on your backpack. Morrisons does not provide water bottles.

**Meals and Alcohol:** MRWAL provides all meals from lunch on the first day to lunch on the last day. We specialize in creative and delicious meals. Guides will prepare your meals using a variety of fresh foods. Juice and water are available with every meal. Coffee, tea, and cocoa are available at breakfast and dinner. Wine, Beer, or any other alcoholic beverages are not provided by MRWAL, but are welcome on the trip. Oregon liquor stores are open until 8pm on weekdays and closed Sundays. Beer and wine are available at local grocery stores. Hard liquor can only be purchased at state liquor stores. *Note: If you are on a lodge trip, Marial Lodge sells t-shirts and homemade jam. Consider bringing cash if you are interested in purchasing items in the canyon.*

There will be ice chests available for you at check in for you to bring extra beverages. There is no place to buy beverages once the trip leaves. Wine glasses and bottle openers are available at each lodge. Cocktail ice can be brought by guides- please let them know if you would like some.

**Lodging Guests:** We have tried to educate our wilderness lodge staff to particular dietary requests. We constantly strive to make foods available to your request, however sometimes the lodges can't meet our expectations. With this in mind you might consider bringing your own food to make sure you

have what you need. Also, please note that each lodge meal consists of up to 10 dishes- there is already something for everyone, and options for almost every diet.

Also, we unfortunately cannot guarantee all foods will be “pure” in regards to severe food allergies. We will always strive to meet your expectations but due to a limited menu at the lodges we can’t make everyone happy. (Please make sure to give us ample information on your registration form in regards to dietary restrictions) Wine, Beer, or any other alcoholic beverages are not provided by MRWAL, but are welcome on the trip. Oregon liquor stores are open until 8pm on weekdays and closed Sundays. Beer and wine are available at local grocery stores. Hard liquor can only be purchased at state liquor stores.

**Environmental Concerns:** Depending on where the group stops, we will be using outhouses or portable river toilets. While not like the comfort of home, when setting up toilet facilities we are conscious of privacy needs as well as environmental impact. To protect the river, we carry out all waste and trash and use no soap in the river. The guides will instruct you in simple procedures that minimize the impact of your group on the canyon, and we ask for your cooperation.

**Communications: Cell phones do not work in the canyon.** Phones will stop working shortly after you pass through Merlin. If you want to bring your phone as a camera, we highly recommend you bring or purchase a phone case or dry bag to protect it from river water. MRWAL is not responsible for lost or broken phones.

**Cancellations and Travel Insurance:** Should you have to cancel your Rogue River Adventure with us or if situations make it impossible for us to perform the trip due to reasons beyond our control, all deposits are non-refundable. Final balance payments are also non-refundable. Alternate guests are welcome. All guests making reservations for travel are strongly encouraged to purchase CFAR (Cancel for any reason) Travel Insurance to protect their investment and ours.

On The Rogue River, trip capacity is strictly regulated by law, your reservation may mean we cannot sell space to others. Because of this, we do not offer refunds, for any reason including a pandemic; therefore, Cancel For Any Reason travel insurance is strongly recommended. It will reimburse you if you make a cancellation because of, but not limited to illness, injury, smoke, natural fire, flood, or other acts of nature. In addition, it will reimburse up to 75% of

your trip cost under the Cancel For Any Reason (CFAR) policy, if your trip is cancelled due to Oregon State mandated restrictions such as a pandemic or situations that make it impossible for us to perform the trip due to reasons beyond our control. .

Should you decide to not purchase CFAR trip insurance, please know there will be no refund nor credit given, nor will your trip be transferable to another year if you cancel your trip or should we be unable to perform the trip for reasons beyond our control.

No cash refunds will be issued for any reason whatsoever.

Please understand there will be no exceptions to our policy.

Most trip insurance companies are time sensitive to your initial deposit in this case 21 days.

#### **Registration Form & Health Information:**

Rafting/Hiking trips can be strenuous with hikes around rapids and climbing to the lodges if on a lodge based trip or camp each evening. You should be in good health, and be able to walk up steep inclines, on uneven, sandy or rocky terrain. If there are any medical conditions (such as allergies, heart conditions, etc.) or dietary restrictions we should know about, **please put them on the registration form**. Please consult your Physician prior, if you have any questions regarding your health or medical conditions that could impact your ability to walk up to the lodges or walk around the necessary rapids. Please consult your Physician prior, if you have any health or medical conditions that could impact your ability to participate in an active and outdoor adventure.

**Registration forms and release of liability forms must be completed online by accessing your guest account using your personal link. If we do not receive your forms, you will forfeit your space without refund.** If there are any medical conditions (such as allergies, heart conditions, etc.) or dietary restrictions we should know about, please put them on the registration form. Complete your registration form and sign the Liability Release by accessing your guest account link emailed in your confirmation email. \*\*All registration forms and our release of

liability form, must be completed using your personal link to access and manage your reservation. All requested forms must be completed at least 14 days prior to arrival. Failure to complete the forms within the requested time could result in cancellation and forfeit of all deposits made. **\*\* We are not able to receive via the forms via email, fax or mail. .**

**Area Attractions:** Oregon is a very beautiful state with many things to do and see. Crater Lake National Park is very popular, as well as the Oregon Caves National Monument. The Oregon Shakespeare Festival is nearby in Ashland. Performances often sell out; call (541) 482-4331 or <http://www.osfashland.org> for more information. Regional tourism is handled by Southern Oregon Visitors Association. Their website [www.sova.org](http://www.sova.org) has excellent information about our region. You can also contact the Grants Pass Chamber of Commerce at (541) 476-7717 <http://www.visitgrantspass.org> for specific Oregon area brochures.

**Questions?** Please contact our office if you have any other questions about your trip. Once you are on the river, our guides will be happy to answer questions or assist you. We welcome any suggestions you have and want you to enjoy your trip.

## Rogue Weather

Elevation in Merlin, OR: 915 ft.

The summertime weather in southwest Oregon is usually very pleasant: warm and dry. However, you need to be prepared for wet, cool weather as well as hot and dry. This can be easy if you pay attention to the information provided and to your own tolerance to the sun and to the cold.

	Jun	July	Aug	Sept
Avg. Temp Day	82	90	88	84
Avg. Temp Night	48	60	65	50
Rainfall	0.5"	0.3"	0.5"	0.9"

**June** trips can be cool (days 55°-80°, nights 50°-60°), with a chance of rainstorms. The water will be moderately cold and you can plan on being splashed a lot.

**Late June to August** trips are warmer(days 75°-95°,

nights 65°

**September** trips generally have mild days (60°-80°) and cool nights (50°-60°). Storms are always possible.

## Clothing and Comfort

Dressing safely and comfortably (not to mention fashionably) for river trips is a challenging task. It is very important and should not be taken lightly. For much of the season, you will need two sets of warm clothing: one for on the river and one for the lodge.

**Use the "layering system"** Bring clothes that can be worn under or on top of others. Layering allows you to adjust quickly to changeable weather, by adding or subtracting layers. Loose, fast drying, durable clothing is best for rafting. We recommend the following materials because they are compact and are made to keep you warm and comfortable through a range of temperatures.

**Polypropylene (Polypro) or capilene** are synthetic materials that wick the moisture away from the skin. Depending on the time of year, long underwear (shirt and pants) are essential as the first layer in cool or wet weather.

**Fleece** is a synthetic material that is heavier than polypro. It makes an excellent middle layer in cool or wet weather. Wool is also a good insulator. Bring a jacket or sweater as well as pants of these fabrics.

**Cotton** should **NOT** be worn during cool or wet weather since wet cotton lowers body temperature. Cotton is recommended for hot weather only!

**Rainwear** Rain jacket and pants are to protect you from the storms as well as mist from rapids if you were to ride in the raft. Coated nylon or breathable fabrics such as Gore-Tex are best. Ponchos are bulky and dangerous so they are not recommended.

### Footwear

Hiking footwear: A pair of 'tried and true' hiking boots or tennis shoes is very important for the trail. We recommend a thick sole if your feet are sensitive- the trail can be very rocky at times. To avoid blisters, make sure you have hiked at least 6 miles at a time and at least 20 miles total in your boots if they are new to you. If you must hike in new boots, bring a back up pair of shoes in case of the dreaded blisters.

On the River: You will find guides and fellow guests in tennis shoes and sturdy river sandals that will stay on your foot in a swift current. Closed shoes do offer the most foot protection while on the river and, if worn with wool or neoprene wetsuit socks, they can help insulate your feet when the water is cold. **\*\* Note:** Please leave your river shoes out of your overnight bag- we will have a special bag for them for easy

access.

## Your Personal Responsibility

We handle trip logistics, provide the food and rafting equipment, and make sure you have knowledgeable and well-trained guides. We see to it that you are comfortable, and that you see the Rogue's special places. We expect that you will bring adequate clothing and that you are in good enough health to safely complete and adventure in a wilderness canyon. We also ask that you approach your trip with an open mind for adventure and discovery.

## Lodge Facilities

### Lodge Trip Accoutrements

If you've signed up for a lodge trip, all linens, towels and bedding will be provided at the lodge. Shampoo is not provided, but soap is. As with the funky nature of the lodges the towels are a little rough and the sheets a little scratchy but overall they provide a clean comfortable stay.

**Sleep Apnea Equipment:** If you are in need of bringing a CPAP for Sleep Apnea- please visit <http://www.cpap.com> to purchase a battery pack. There is no power available at night except at Marial Lodge.

## Packing

**Your Dry Bag or Waterproof Bag:** The overnight bag, when fully packed measures about 24 inches in diameter by 36 inches in height and is almost the size of a large garbage bag. We ask that two people share one dry bag. We recommend packing your things for the trip into a small SOFT duffel bag (no rollers please!) that will then be placed into a MRWAL dry bag with your roommate's duffel. We also kindly request that you keep each personal bag to 20 lbs or less. The guides carry each large dry bag long distances at some lodges and we want to keep their backs in good repair!

**Day Bags:** We recommend bringing a day backpack for the trail. Please keep all items you might need during the day inside (chapstick, sunscreen, hat, light jacket, etc.). If you choose to hop on a raft at any point, the guide will have a large 'backpack' dry bag available for your day pack to keep it dry.

### Keep these items separate:

- Alcohol, beverages, or other liquids
- Water Shoes
- Day Packs

When you meet your guide in the morning at 8:30 am, they will have a drink cooler available and a bag to put your water shoes in. You do not need to pack

your daypack as you will be using it on the trail!

## What to Bring

Your comfort and safety depend on you being well equipped for the wilderness. If the weather is perfect you will not need the cold weather clothing or rain gear, but should plan for sun protection. Please call if you don't understand or cannot find an item on the list.

### Pack clothing you won't mind getting wet or dirty.

Cut down on bulk by not bringing too many changes of clothing for the same temperature conditions. You do not need a change of clothing every day.

### Clothing List RECOMMENDED for hiking trips:

- Swimsuits:** May be worn as a first layer if you choose to ride the rafts often.
- Shorts:** A breathable/quick drying pair or pairs for warm days or comfort at the lodges.
- Pants:** A breathable/quick dry pair for the trail (avoid jeans/cotton!) and a pair or two to wear at the lodges in the evening- temperature tends to be cooler in the evenings (cotton ok).
- Footwear- trail:** A pair of 'tried and true' hiking boots or tennis shoes. See previous page for tips.
- Footwear-lodges:** Closed toed COMFORTABLE shoes that are different from your hiking boots. If you choose a pair that you can also hike in, you have a great backup if you get blisters.
- Footwear- river:** You will need a pair of river sandals or shoes that attach to your feet and can get wet. Cheap water shoes will suffice, but they are lousy for walking on shore during raft breaks. (please leave these out of your overnight pack- your guide will have a special bag for them)
- Footwear- extra option:** Consider bringing a small/light pair of flip flops or sandals for letting your feet breathe when you relax in your lodge room. These can be your river sandals, but you will need to remember to tell your guide to bring them to the lodge at the end of the day- and they might be wet!
- Socks:** Polypropylene or wool, several pair
- Shirts:** long sleeved, lightweight, breathable is best for sun protection
- T-shirt/tank top:** non cotton, for warm weather hiking
- Button up shirt/Blouse:** nothing is better than a hot shower and a nice shirt/outfit at the lodges in the evening. This is optional.

- Long underwear: Polypropylene, Smart wool, or Capilene (cooler weather trips)
- Sweater or jacket: Cotton is ok, but not great if the weather gets rainy. Fleece or wool is recommended. We recommend this item for cold mornings at the lodges!
- Rain Coat: Great for incimate weather and splash guard while on the rafts.
- Baseball cap or visor (with strap) for sun protection

#### Gear List:

- Water Bottle**
- Flashlight or headlamp (a must!)
- Sunglasses with Strap
- Bandana
- Insect repellent
- Toiletries
- Medications. If you are in need of bringing a CPAP- please visit [www.cpap.com](http://www.cpap.com) to purchase a battery pack. \*\*\* Please leave emergency medication such as EPI PENS and INHALERS in your day bags for quick access!
- Large zip lock bags for wet gear
- Sunscreen\*/ lip balm\*
- Moisturizer/Skin lotion\*
- Wet Wipes

#### Optional Gear:

- Fishing equipment and license
- Small zip lock bags for organizing gear
- Disposable/ Waterproof camera/lifeproof case for your phone (MRWA is not responsible for lost or broken phones)
- Dramamine (if prone to car sickness)
- Small day pack
- Book / Journal / Notebook
- Blister Kit
- Special food/snacks (there is PLENTIFUL food and snacks on the trip- this is only necessary if you have allergies or know you will absolutely crave a specific food.)
- Alcohol/soda (water and juice are provided)
- Tecnu soap for poison oak sensitivities

Please don't hesitate to call our front office with any packing questions and concerns that might arise.  
1-800-336-1647.

We can't wait to see you soon!

**MULTI-DAY SUMMER HIKE Series TRIP**

**2021 Morrison's Rogue Wilderness Adventures & Lodge**

*(\*\*All registration forms and our release of liability form, must be completed using your personal link to access and manage your reservation. All requested forms must be completed online at least 14 days prior to arrival. Failure to complete the forms within the requested time could result in cancellation and forfeit of all deposits made. We are not able to receive the forms via email, mail or fax.*

**ONE FORM PER PARTICIPANT**

TRIP DATE \_\_\_\_\_ Name Reservation Is Under PERSONAL Name: \_\_\_\_\_

Email \_\_\_\_\_ Address \_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_ Phone (Home) \_\_\_\_\_

(Cell) \_\_\_\_\_ Male or Female (circle) Date Of Birth \_\_\_\_\_
