Where to stay before and after

Your lodging and meals before your trip are included in your package. Check in Starts at 2pm. Your 3 or 4 day fishing trip includes our 4 course gourmet dinner that has one seating at 7pm each evening with a choice of 2 entrees. One of our guest representatives will give you a call before your trip to get your entree choice. ****All dinner and breakfast gratuities are not included in your trip pricing and are additional fees. Please be prepared to tip your serving staff at Morrisons Lodge accordingly. Sodas, tea and Alcohol are not included in your trip price and are additional fees.** You will also receive our country style breakfast the morning of your trip.1

Morrisons has electricity and limited internet. If your cell phone carrier allows for Wifi calling and texting and your cell phone has that option, you will be able to use your cell phone once connected to our internet. If not, your cell phone will not work here at Morrisons as we are not near any cell phone tower.

Please note that lodging at Morrisons is only included for the evening before your first day fishing- not the night at the end of your trip. If you would like to book lodging for the night after your trip we would like to offer you a special 20% discount on any of our beautiful Morrisons Rogue Wilderness Lodging accommodations. Please use this **promotional code MRWA** when booking online at <https://morrisonslodge.com/>. The 20% discount applies to lodging only. Here at Morrisons we offer dinner and breakfast, both are by reservation only. When you are booking your lodging, please be sure to book your four-course gourmet dinners and country breakfast buffet reservations at the same time to ensure you have a space at the table. Reservations are required and very limited, so don't delay. For more information on our incredibly unique dinner service here, please go to our website at <https://morrisonslodge.com/>.

How to Get There

If You Fly: The closest commercial airport is Medford, Oregon. It is serviced by United Airlines, Delta, Allegiant, and Horizon Air. Flights inbound to Medford start from San Francisco, Seattle, Portland, Salt Lake City, Denver, Las Vegas, and Los Angeles.

****Please plan your flight to arrive the day before your river trip**

****Flying out the day your trip ends is VERY difficult and puts strains on the entire last day of your trip. We highly recommend booking your flight out for the day AFTER your trip ends.**

Airport Shuttles

If you are in need of Transportation from Medford Airport to Morrisons Lodge and back to the airport, please contact:

Double D Taxi Service: (541) 476-7773 | \$130 cash / \$140 card for up to 6 passengers

Tic Tock Taxi: (541) 727-7791 | \$125 for up to 6 passengers

Anywhere Express: (541) 326-9969 | Mention Morrison's for a possible discount for up to 4 passengers

**** Prices are subject to change**

**** Regarding your shuttle back to the airport, we would suggest you leave 2 and a half hours prior to departure flight time.**

If You Drive:

From I-5 North (Portland, Eugene): Get off at exit 61. Follow the off ramp until you get to the stoplight. Turn left and follow the road (Merlin-Galice Rd) out for about 11 ½ miles. Morrisons Lodge is on the right hand side. Park in the parking lot and walk to the front desk for check-in.

From I-5 South (Medford, Ashland): Get off at exit 61. At the end of the off ramp turn left and follow the road (Merlin-Galice Rd) out for about 11 ½ miles. Morrison's Lodge is on the right hand side of the road. Park in the parking lot and walk to the front desk for check-in.

The Trip Outline

The Night you arrive: Check in to our Morrisons Lodge anytime after 2 pm. Your trip will start with a required orientation at 5:30 pm at Morrisons Lodge. Guests will meet each other. Dry-bags will be issued. The orientation will cover your trip itinerary and outline your trip. Following your orientation, please join us for our four course gourmet dinner served on the deck

weather provided at Morrisons Lodge. Please arrive at 6:30 if you would like to join us for appetizers. First course goes out at 7pm. Please be seated before 7pm. ****All dinner and breakfast gratuities are not included in your trip pricing and are additional fees. Please be prepared to tip your serving staff at Morrisons Lodge accordingly. Alcohol is not included in your trip price and is available for purchase at our Morrisons Lodge.**

Our gift shop will be available for any last minute items, please have a credit card ready for any purchases.

The Morning of your Trip: Morrisons country breakfast is available starting at 6:30am in the main lodge. **Please bring your room keys when checking out and finalize any additional charges added after checking in.** We ask that everyone is dressed to fish and ready for departure by 8:30 am in front of Morrisons front office.

At 8:30 am you will meet outside the main Morrisons Lodge building. We will load the bags and fill the drink coolers with your personal beer, wine and other personal beverages. A shuttle van will take you on a 15 minute ride to Alameda Park to launch. Final preparations (loading your dry bags onto boats and a safety talk) will take about an hour. Be sure to eat a hearty breakfast before your trip.

Vehicles while on your fishing trip: If you are planning on leaving your vehicle on our property while you are on your hiking trip, we ask that you park your vehicle in our "grassy meadow" across the street from the main lodge. We ask that you drive by and drop off your large dry bag and beverages and then go park your vehicle in the grassy meadow. Please use the walking path under the bridge on your way back and walk your vehicle keys and room keys into the office. Galice road is busy with rafting/logging traffic and not advised to walk across. Please use the walking path. If you have any questions about where this is, please ask one of our front desk staff associates for a map and directions.

Foster Bar /Eden Valley Vehicle Shuttle: If you have **already** (24 hours in advance) reserved the vehicle shuttle to be delivered to you at the end of the trip, you will park your vehicle in our main parking lot. Please walk your vehicle keys and room key into the front desk office.

On the River: Breakfast is served around 7:00 am at the lodges and you are back on the water by about 8:30 am. There will be a stop midday for lunch where lunch is served riverside. Lunch consists of fresh-caught fish, and other non-fish options. We work very hard to provide delicious meals. On day one and two for safety

there will be a portage where the guests will get out of the boats and walk around Rainie Falls(day one) and Blossom Bar (day two) while the guides line or float the boats down. Both of these portages will be on a rocky surface, some guests find it helpful to bring a walking stick to help get around these areas. There is also a short walk up a hill to each of the lodges each evening. We will arrive at the lodges around 5 pm each evening. Before dinner there will be plenty of time for relaxing in the beautiful scenery of the wild Rogue with friends and family.

Fishing: Please purchase your fishing license prior to checking in. Oregon fishing licenses may be purchased online at

<https://myodfw.com/fishing/licensing-info>. We do not provide fishing licenses at our lodge, it is imperative to purchase your fishing license prior to arrival at our Lodge using the link above. You will need a **Combined Angling Tag** for the dates you will be fishing. They sell 2 day or 3 day or 1 day combined angling tags. This will save you from driving 30 minutes into Grants Pass and another 30 back to the lodge. **If you bring a personal fishing rod and fishing gear, it is your responsibility to make sure it gets on the van or bus, off the bus/van and off the drift boat to ensure it goes with you and stays with you.** We are not responsible for any lost or missing fishing gear that accidentally got left behind. If any gear is left behind the **guests are responsible** for any shipping and handling fees associated with mailing it.

After the Trip: The trip ends near the town of Agness, Oregon in the early afternoon. At this time you will board a van which will return you and your gear to Morrisons Lodge, unless you have arranged a car shuttle. Car shuttles are available from Morrisons Lodge to Quosatana Creek (Q-creek) for an additional \$169(price subject to change) per car plus a government road access fee of 3%. The van trip takes between two and three hours, arriving back at Morrisons around 4 or 5pm. If you are on a **4 day, 4 night canyon fishing trip the take out location is Quosatana Creek or Q-Creek for short.** If on a **3 day 3 night canyon fishing trip the take out location is Foster Bar.** **Here is the link to book online:** **<https://wildrogue.com/rogue-river-shuttles/>** **Book your vehicle shuttle to Foster Bar at least 48 hours prior to your arrival. Do not plan on completing that task here as it will be too late.**

Note: If you are using commercial airlines, we suggest you plan on flying out the day after your trip ends. We can't guarantee you'll make a flight at the end of your trip.

It's a beautiful but winding drive: those prone to car sickness may want to be prepared with Dramamine.

Lodges on the Trip: The other wilderness lodges in the Wild and Scenic corridor are privately owned and operated. They operate with a unique challenge- all equipment and food has been rafted, jet boated, or 4-wheel driven in. They are clean and comfortable, quirky, and the food is plentiful and hearty. Each room has a bathroom with flush toilets, hot showers, and 2 beds (usually singles). All meals are served family style in the main lodges. **If you would like to tip the lodge staff, please bring cash for tipping purposes.**

Note: Paradise Lodge offers gift shop items. Consider bringing some cash if you would like to make a purchase. Paradise lodge also takes credit cards for purchases

Electricity at the Lodges: At this time Marial Lodge and Paradise have limited electricity throughout the night. Please remember, you are in a wilderness area and having power after 10 pm could change. Black Bar Lodge does not have electricity after 10 pm, it is the only lodge still running on a generator and will provide light and charging opportunities during your stay until 10 pm. At 10 pm the generators are turned off, please bring a flashlight to find the bathroom. Do not bring hair appliances as they will cause the generator to stop or possibly overload the circuit and cause other issues. **Your cellphone will not work at any of the lodges, nor will you have any internet access at all. Lucas Lodge night 4 if on a four day canyon fishing trip is on the grid and has power at all times.**

Sleep Apnea Equipment: If you are in need of bringing a CPAP for Sleep Apnea- please visit <http://www.cpap.com> to purchase a battery pack. **At this time Marial Lodge leaves the generator on all night and Paradise is powered by solar throughout the night and is limited. Please remember, you are in a wilderness area and having power after 10 pm could change. Black Bar Lodge does not have electricity after 10 pm, it is the only lodge still running on a generator and will provide light and charging opportunities during your stay until 10 pm. Generator turns back on at 6am daily at Black Bar Lodge.**

There is no power available at night (except for Lucas Lodge and limited electricity at Paradise Lodge).

Guides: Our guides have a deep appreciation for the river we run and want you to enjoy your trip with them. MRWAL guides are accomplished in outdoor

skills and extensively trained in wilderness first aid and CPR. They will be more than happy to help you if you have any questions about the river or are an inexperienced camper.

Gratuities: We are often asked if tipping is appropriate. Whether and how much you tip should depend on your satisfaction with the trip, your feelings about tipping, and your financial means. General amount is 15 to 20 % per person of the base trip price (shown at the top of your invoice) if you feel your expectations were exceeded. **Please bring cash for tipping or write a check to the trip leader, tips cannot be added to your reservation or credit card. You will have an opportunity to hand over your gratuity to your guide when you arrive back at the lodge at the end of the trip. They typically hang out for a few minutes to say thank you and bid farewell and then they are off. The guides will pool all the tips and divide them evenly. If you are getting your vehicle shuttled to Foster Bar, you will want to say goodbye at Foster Bar and hand off the gratuity at that time.**

Equipment: MRWAL provides a color coded, shared waterproof bag for 2 guests for your personal gear to have at the lodges each evening. You will share this Large drybag with your roommate. The shared overnight bag, when fully packed measures about **24 inches in diameter by 36 inches in height** and is almost the size of a large garbage bag. This large dry bag will not be accessible during the day. It will be accessible at the lodge. Certainly bring a camera on your trip for pictures. Our gift shop sells a number of waterproof bags for cameras and cell phones.

Environmental Concerns: Depending on where the group stops, we will be using port-a-potties or outhouses. While not like the comfort of a home, when setting up toilet facilities we are conscious of privacy needs as well as environmental impact. To protect the river, we carry out all trash, and use environmental soap. The guides will instruct you in simple procedures that will minimize the impact of our group on the canyon, and we ask for your cooperation.

Communications: Cell phones do not work in the canyon. Phones will stop working shortly after you pass through Merlin. We recommend you leave them in your car or in the office if you plan on coming back to the lodge after your trip. If you want to bring your phone as a camera, we highly recommend you bring or purchase a phone case or dry bag to protect it from river water. MRWAL is not responsible for lost

or broken phones.

Internet: Morrisons Lodge does have internet; however, While fishing and staying at the other wilderness lodges, you will not have access to any internet. **Please prepare to be off the grid for the duration of your trip. Please let your family and friends know that you will not be able to contact them nor will they be able to contact you.** If there is an emergency, they can call the office and let us know; however, we have no way of contacting you while you are in the canyon. The emergency radio phone will only call out, meaning the guides can only contact us, we cannot contact them. We can have the guests call as soon as they are back at the lodge.

Meals: All meals are provided from dinner on the first evening at Morrisons Lodge (gratuities and alcohol not included) to lunch on the last day. We specialize in creative and delicious meals. Guides will prepare your lunches using a variety of fresh foods. Gatorade and water are available with every riverside lunch that we provide. Dinner and Breakfast are provided by the Lodges. ** Cash is suggested for tipping the wilderness lodge staff and is typically \$10 to \$20 per person per night.

Lodging Guests: We have tried to educate the wilderness lodge staff to particular dietary requests. We constantly strive to make foods available to your request, however, sometimes the lodges can't meet our expectations. With this in mind, you might consider bringing your own food to make sure you have what you need. Also, please note that each lodge meal consists of several dishes to choose from- there is already something for everyone, and options for almost every diet. If you are Dairy Free, Gluten and or Celiac, please reach out to our office as soon as possible to see if the other lodges are able to accommodate your specific restrictions. Our front desk has a menu of the 'usual' lodge menus available upon request.

Also, we unfortunately cannot guarantee lodge prepared food will be "pure" in regards to severe food allergies.

We are able to accommodate some dietary restrictions; however, we are not able to accommodate all severe allergies or multiple dietary restrictions. Please reach out if you have severe allergies and or multiple dietary restrictions to see if we will be able to accommodate your requests. (Please make sure to give us ample information when you book or shortly after as well as on your registration form in regards to dietary

restrictions).

Wine, Beer, or any other alcoholic beverages are not provided by MRWAL, but **are welcome** on the trip. Oregon liquor stores are open until 8pm on weekdays and closed Sundays. Beer and wine are available at local grocery stores. Hard liquor can be purchased at specific locations and can be harder to find. For transportation purposes, there will be coolers set out for you the morning you depart from the lodge to meet your guides. This is where you will place your beverages for each evening of your fishing adventure. The guides will bring up the coolers each night for you to access. Wine glasses and bottle openers are available at each lodge. Cocktail ice as well. Guests always ask if there is a limit to what you can bring, the simple answer is "no".

Note: Morrisons lodge on night one has a full bar and alcohol for purchase (there is a \$20 corkage fee on any outside bottles of wine). The only other wilderness lodge that has alcohol for purchase is Paradise Lodge.

Consider bringing cash/credit cards if you are interested in purchasing items in the canyon (no outside drinks are allowed in the dining room/Main lodge).

Registration & Health Information:

Fishing trips can be a little strenuous with hikes around rapids and climbing to the lodges each evening. You should be in good health, and be able to walk up steep inclines on uneven, sandy or rocky terrain. Please review the Essential Eligibility Requirement Document to see if you are able to comply. You should be in good health, and be able to walk up steep inclines, on uneven, sandy or rocky terrain. If there are any medical conditions (such as allergies, heart conditions, etc.) or dietary restrictions we should know about, **please specify on your personal registration.** Please consult your primary care Physician prior, if you have any questions regarding your health or medical conditions that could impact your ability to walk up to the lodges or walk around the necessary rapids. For all guests joining us on one of our adventures, you must read and understand our Essential Eligibility Criteria document and be able to comply. If you do not meet the criteria please reach out and speak to one of our multiple day sales specialists. <https://rogueriverraft.com/essential-eligibility-requ>

Essential Eligibility Requirements

The 2 step registration process for all guests on your reservation must be completed online by accessing your guest account using your personal link. Please complete this as soon as possible after making your reservation. If there are any medical conditions (such as allergies, heart conditions, etc.) or dietary restrictions we should know about, please enter the specific information on the registration portion of the 2 step registration process. To complete your registration process, access your personal guest account through the link emailed in your confirmation email. Please complete the registration processes as soon as you get your confirmation email. **Failure to complete the 2 step registration process for all guests on your reservation will result in cancellation and forfeit of all deposits made.** Everything is done electronically. We are not able to receive required documents via email, fax, or mail.

Cancellations and Travel Insurance: Should you have to cancel your Rogue River Adventure with us or if situations make it impossible for us to perform the trip due to reasons beyond our control, **all deposits are non-refundable. Final balance payments are also non-refundable.** Alternate guests are welcome. **All guests making reservations for travel are strongly encouraged to purchase Travel Insurance to protect their investment and ours.**

On The Rogue River, trip capacity is strictly regulated by law, your reservation may mean we cannot sell space to others. Because of this, we do not offer refunds, for any reason including a pandemic; therefore, travel insurance is strongly recommended. Trip Insurance will reimburse you if you make a cancellation because of, but not limited to illness or injury before or during the trip, smoke, natural fire, flood, or other acts of nature. **The only way to get a refund would be to file a claim through your already purchased trip insurance carrier.**

Should you decide to not purchase trip insurance, please know there will be no refund nor credit given, nor will your trip be transferable to another year if you cancel your trip or should we be unable to perform the trip for reasons beyond our control. **No cash refunds will be issued for any reason whatsoever.**

Please understand there will be no exceptions to our policy outlined above.

Most trip insurance companies are time sensitive to your initial deposit in this case 21 days. Trip insurance with Travelinsured.com is typically 7 to 10%. For more information, and to get a quote, go to the link below and choose the best option for you and your family.

Area Attractions: Oregon is a beautiful state with many things to do and see. Crater Lake National Park is very popular, as well as the Oregon Caves National Monument. The Oregon Shakespeare Festival is nearby in Ashland. Performances often sell out; call 1 800-219-8161 or <http://www.osfashland.org> for more information. Regional tourism is handled by Southern Oregon Visitors Association. Their website www.sova.org has excellent information about our region. You can also contact the Grants Pass Chamber of Commerce at (541) 476-7717 <http://www.visitgrantspass.org> for specific Oregon area brochures.

Questions? Please contact our office if you have any other questions about your trip. Once you are fishing, our guides will be happy to answer questions or assist you. We welcome any suggestions you have, and want you to enjoy your fishing trip.

Clothing and Comfort

Dressing safely and comfortably for fishing trips can be challenging. It is very important and should not be taken lightly. For much of the season, you will need two sets of warm clothing: one for the days on the river and one for the evenings at the lodges.

Use the layering system: Bring clothes that can be worn under or on top of others. Layering allows you to adjust quickly to changing weather by adding or subtracting layers. Loose, fast drying, durable clothing is best for fishing. We recommend the following materials because they are compact and are made to keep you warm and comfortable through a range of temperatures and humidity.

Polypropylene (Polypro) or Capilene: These are synthetic materials that wick moisture away from the skin. Long underwear (shirt and pants) are essential as the first layer in cool or wet weather.

Fleece: Is a synthetic material that is heavier than polypro. It makes an excellent middle layer in cool or wet weather. Wool is also a good insulator. Bring a jacket or sweater as well as pants of these fabrics.

Cotton: Should **NOT** be worn during cool or wet weather since wet cotton lowers body temperature.

Cotton is recommended for hot weather only!

Rainwear: Rain jacket and pants are to protect you from the storms as well as mist from rapids. Coated nylon or breathable fabrics such as Gore-Tex seem to not work as well as rubber rain suits. When it rains on the Rogue, it rains hard! Ponchos are bulky and dangerous so they are not recommended.

Footwear: You will find guides and fellow guests in rain boots or a sturdy hiking shoe/boot. Closed shoes do offer the most foot protection if worn with wool or neoprene wetsuit socks, they can help insulate your feet when the weather is cold. Muck boots are highly recommended for the drift boats as well.

NO WADERS or HIP BOOTS.

Packing

Your Dry Bag or Waterproof Bag: The overnight dry bag, when fully packed measures about 24 inches in diameter by 36 inches in height and is almost the size of a large garbage bag. We ask that two people share one dry bag. We recommend packing your things for the trip into a small SOFT duffel bag (no rollers please!) that will then be placed into a MRWAL dry bag with your roommate's duffel. We also kindly request that you keep each personal bag to **20 lbs or less**. The guides carry each large dry bag long distances at some lodges and we want to keep their backs in good repair!

Day Bags: Since your waterproof bag will not be accessible during the day, day bags will be available during your trip for sunscreen, clothing, hats, and cameras.

Rogue Weather

Elevation in Merlin, OR: 915 ft.

	Aug	Sept	Oct	Nov
Avg. Temp Day	90	84	70	54
Avg. Temp Night	52	46	40	36
Rainfall	0.5"	0.8"	2.3"	4.5"

The fall weather in southwest Oregon is usually very pleasant with occasional rain. But you need to be prepared for wet, cool weather as well as hot and dry.

This can be easy if you pay attention to the information provided and to your own tolerance to the sun and to the cold.

Late August: trips have warm days (days 75°-95° nights 65°)

September: trips generally have mild days (60°-80°) and cool nights (50°-60°). Storms are always possible.

October & November: Plan on some rain with day temps in the 50s to 70s, and nights in the high 30s to 40s.

Your Personal Responsibility

We handle trip logistics, provide the food, and make sure that you have knowledgeable and well-trained guides. We see to it that you are comfortable, and that you get to see the Rogue River's incredible places.

We expect that you will bring adequate clothing and that your **personal gear will weigh no more than 20 lbs per person and will fit in the size requirements of our waterproof bags** (24" diameter by 36" tall). This weight limit does not apply to beverages.

Oregon Fishing License (**please purchase prior to checking in**) may be purchased online at <https://myodfw.com/fishing/licensing-info>

If you fly in and have luggage, please bring a duffel bag as well. Roller bags do not fit in our dry bags. Luggage storage is available at our office.

What to Bring

Your comfort and safety depend on you being well equipped for the wilderness. If the weather is perfect you will not need the cold weather clothing or rain gear, but should plan for sun protection. Please call if you don't understand or cannot find an item on the list.

Pack clothing you won't mind getting wet or dirty:

Cut down on bulk by not bringing too many changes of clothing for the same temperature conditions. You do not need a complete change of clothing for every day.

Clothing List RECOMMENDED for ALL trips:

- ☐ Swimsuit: (In September you may want a swim in the river)
- ☐ Shorts: quick drying shorts can double as a swimsuit for men
- ☐ Tennis shoes, hiking boots, muck boots, and closed toed comfortable shoes for the evening
